Subject: **Enhanced Basic Education Information System**

Date: **September 13, 2016**

1. The Enhanced Basic Education Information System (EBEIS) is the single authoritative source of basic education data in the Department of Education. It is from this set of data that the Division's Key Performance Indicators are being computed (e.g. Participation Rate, Intake Rate, Cohort Survival Rate, Completion Rate, Promotion Rate, Drop Out Rate, etc.).
2. Thus, only quality data shall enter the database to give us the true picture of the status of basic education of the division.
3. To ensure accuracy of the schools' data encoded in the EBEIS, this Division, through the Division Planning Unit, will conduct a one-on-one validation with the school head/teacher-in-charge on the following schedules:

District/Schools	Date
Southwest District	September 14, 2016
South and North Districts	September 15, 2016
Central District and Secondary Schools	September 16, 2016

4. School heads and TICs are required to bring supporting documents during the validation, such as but not limited to:
 - a. SF 3
 - b. School site documents
 - c. MOOE end of fiscal year report
 - d. Health and Nutrition reports
5. For immediate and wide dissemination.
